

Summary of Results for Year 11 Students: Summer 2016

Attainment measures – how many students reached particular grades, irrespective of their ability:

The 5+ A* - C performance is 77% (National average 2015: 65%)
 The 5+ A* - C (including English and Maths) performance is 75% (National average 2015: 56%)
 The % of students achieving both English & Maths A*-C is 79% (new measure)
 English Baccalaureate performance is 41% (National average 2015: 24%)
 Attainment 8 performance is 5.47 (new measure)

Progress Measures – how far the students have moved from their primary school Key Stage 2 levels in English and Mathematics:

92% of students made at least the expected progress in English (National average 2015: 69%)
 77% of students made at least the expected progress in Mathematics (National average 2015: 66%)
 Progress 8 performance will be confirmed by the government in due course but we anticipate a very good value added score for this cohort of students.

Summary of 'A' Level Results for Year 13 Students: Summer 2016

Attainment measure – how many students reached particular grades, irrespective of their ability:

The A* - E performance ('pass rate') is 96% and 35% of grades were A* - B

Progress measure – how far the students have moved from their GCSE starting points ('value added')

This is a critical indicator and the level 3 Value Added will be available later this term.

To achieve an A* students needed to achieve an A grade and then gain a minimum of 90% of their marks in their A2 modules. This summary does not include the additional AS level qualifications most students gained in Year 12. The grades shown do not include any subsequent remarks or changes.
