Uniform Policy

Introduction

The school requires all main school students (Key Stages 3 and 4) to wear a school uniform.

School uniform gives pupils a sense of community and can instil pride in the school. It contributes to our ethos and sets an appropriate tone, supporting positive behaviour and discipline. It also supports pupils in learning how to dress appropriately.

Our uniform has been developed in consultation with pupils, parents, staff and the Local Governing Body.

Cost is carefully considered in deciding on uniform design and uniform suppliers, and we review contract arrangements with suppliers regularly so that parents continue to get value for money.

Aims

Our uniform is a positive expression of our ethos and values. The wearing of our uniform should encourage pupils to treat each other and the school environment with respect. It should support pupils in learning how to dress in a manner appropriate to the activity being undertaken and the environment in which it is taking place.

Communication with Parents

This policy is available on the school website and in the students' handbook. Prospective parents are sent clear guidance on uniform well in advance of the admission of their child.

Equal Opportunities

We will seek to make appropriate arrangements to reflect the requirements of different religious faiths with regards to acceptable variations of the school uniform. We are sensitive to and demonstrate a respect for the needs of different cultures, races and religions, and their needs are accommodated within this policy.

Representations about uniform requirements

If any parent has any concerns before admission they are very welcome to contact the Head of School to discuss the requirements.

Health and Safety

Any approved variations to our uniform must still comply with our Health and Safety requirements.

To promote a healthy lifestyle, our uniform does not preclude walking or cycling to school. Pupils are encouraged to wear light colours and reflective materials over their uniform, so that they are as visible as possible when walking or cycling to school during the winter months.

Procedure in the event of non-compliance

Non-compliance with the uniform policy will be investigated directly case by case. We may impose sanctions for breach of the uniform policy.

Persistent flouting of the uniform requirements will be dealt with as a disciplinary matter by the Head of Year or Head of School. We may ask a pupil to go home to change their clothes. This will be for no longer than is necessary to effect the change of clothing. In such cases parents will be notified. We will always bear in mind the age and vulnerability of the child and availability of a parent. Exclusion is not usually an appropriate response to breaches of this policy, except where persistent and defiant.

When Uniform is Required

School uniform will be worn whenever pupils are on site, during the journey to and from school, and on school visits as required.

General Expectations

The School has some simple conduct expectations on personal presentation. All students are expected to follow these expectations consistently and without question when on the school site:

- The school jumper is to be worn at all times, during the Autumn and Spring Terms unless otherwise directed by the Head of School.
- Students may ask to take their jumper off if they are hot in lessons, but they must leave lessons with their jumper on.
- White shirts must be tucked in at all times.
- Ties should be done up with four stripes showing below the knot.
- We encourage wearing suitable coats during cold periods. Coats may be worn in the school building but taken off as soon as entering the classroom.
- A suitable school bag large enough to carry exercise books and equipment.

The Head of School is the final arbiter on the suitability of uniform and appearance.

If in doubt ASK

Physical Education Uniform

We believe that a smart uniformed appearance is an important element in setting high standards. It creates a positive ethos which is fundamental to raising achievement and encouraging team spirit. We are confident that this approach has strong parental support and as such, this is reflected in the requirements for PE kit. Safe practice dictates that appropriate clothing and footwear are vital within the Physical Education environment.

We have a 'full kit' policy regardless of illness/injury and expect every student to be fully equipped for PE lessons in order to appreciate the value and benefits of physical activities. If a student cannot participate in the PE lesson **they MUST still bring in their kit** and adhere to the 'change of kit for all' policy. A letter or note in their planner is required explaining the reason for non participation. The rationale of the 'change of kit for all' ensures that students will contribute to the lesson wherever it is taking place and by changing out of school uniform the student always has dry clothing and footwear to put on at the end of the lesson. They will be with their timetabled teacher who will provide them with the opportunity of continuation and development with their knowledge and learning within the specific module.
